

Dear PAW Fam,

Unfortunately, we must close the studio today and cancel all dance classes, private lessons and pointe shoe fittings strictly for safety reasons. There is work/activity going on which affects the whole building, making safe passage/egress impossible, among other hazards.

Class time will be made-up to **Teen Intensive** classes-- Wed 4:15 Acro Dance, Wed 5:15 Ballet, Wed 6:30 Pointe, Wed 7:15 Jazz/Contemporary-- closer to the Spring Showcase in order to be most productive, but please drop by the studio this **Friday 12/15 from 5:30-6:30pm** for some holiday cheer with your friends in the Company program. Pointe shoe fittings are rescheduled for Wed 1/9. Private lessons will be rescheduled as soon as possible.

We hope that our young students in Wed 4:15 Ballet/Jazz, Wed 5:15 Tap/Hip Hop and Wed 6:15 Acro Dance will join us **tomorrow (Thu) 12/14 from 5:15-6:15 or 6:15-7:15** to engage in the same class activities we had planned for them this afternoon-- dance, games and the ice cream reward we promised them for crushing their first trimester challenge of laser focus and excellent conduct. If your dancer is missing more than one hour of class this afternoon, we will help you arrange a convenient make-up class after we return from holiday break.

Junior **class assistants** do not need to make up the missed time and should simply attend their regularly scheduled lessons for the remainder of the week.

Thank you for your kindness and understanding as we work through this circumstance beyond our control. If you need further assistance, kindly reply to info@performingartsworkshop-nj.com, as the phone is at the studio and we are not there to receive calls/texts.

Thank you,

Jaime & Team
